

Companies That Match Financial Donations

Below is a **partial** list of US-based corporations that match employee contributions to nonprofits. This list may not be all inclusive. Many other companies may also match contributions of retirees, employees' spouses, and directors. Please check with your Human Resources department to be sure.

Matching gifts are a great way to often double - possibly even triple - gifts to WAY Radio!

How To Match Gifts

If you work for (or have retired from) one of the many companies that will match employee donations you will simply need to **contact your company's matching gift office** (usually the HR department or division management, unless the company has a foundation or a philanthropy/community support office), request a matching gift form (this will help us properly process their donation), and submit it to us along with your financial donation:

WAY Radio
2500 Russell Rd
Green Cove Springs, FL 32043

Key:

[r] = Retirees' contributions definitely known to be matched

[s] = Spouses' contributions definitely known to be matched

[d] = Board of Directors' contributions definitely known to be matched
